

Research Software East of England (RSEEE)

Marion Weinzierl, Miren Radia, Matthew Evans

RS-Triple-E

- <https://east-england.society-rse.org/>
- Aim: *To be a regional community of RSEs, researcher-developers and others interested in research software for networking and knowledge exchange*
- Partnered with WHPC Cambridge & East Anglia

Activities

- Online inaugural meeting on international RSE Day in October 2024
- In-person half-day kick-off meeting together with WHPC CEA in March 2025
- Online meet-up for International RSE Day in October 2025
- Training platform hackathon with our friends from Imperial & Oxford in November 2025
- RSEEE annual in-person meet-up April 2026 in Norwich (now!)

RSEEE - How to get involved

- Join the [#region-east-england](#) channel on the UK RSE Slack and chat!
- Join the organisation team!
- Or organise a single thing
 - Hackathon, workshop, coffee meet-up, ...
 - Design a logo, help with the website...
 - We can help!
- Come along to events that are advertised, and advertise your own events!
- Give a talk at the Cambridge RSE Seminars (or come along/dial in to listen)!
- And stay in touch – we are part of the group, not a separate entity which imposes things onto you.

W4DC

CAMBRIDGE &
EAST ANGLIA

Who we represent

We represent people who identify as women or non-binary (“women+”) using or working in HPC. We aim to support inclusivity and diversity for underrepresented groups in the HPC community.

What we do

We support our WHPC Chapter members with three main projects

✓ Network & Partnerships

- Collaborate & partner with businesses, academic institutions & organisations to work towards our shared goals

✓ Chapter Community

- Organise meetups
- Update community on existing and upcoming partnerships

✓ Outreach

- Introduce HPC to women+ in secondary & higher education

Upcoming Event:

“May Spring Lunchtime Meetup”

We are inviting you to have lunch with us at our upcoming lunch! We'll be hosting at the Centre for Mathematical Sciences, University of Cambridge.

Lunch and drinks will be provided. No talks have been scheduled, just pleasant conversation! Feel free to drop in for as long as you like.

Register your interest by April 30th!

WHPC Cambridge and East Anglia planning committee.
